

STATE OF WISCONSIN

Resolution of the Town Board

Town of Dayton

Resolution# 13-01-05

Waupaca County

Town of Dayton Recreational Boating Facilities (Chain Area):

The Town Board of the Town of Dayton, Waupaca County, Wisconsin, by this resolution, adopted by a majority of the town board on a roll call vote with a quorum present and voting and proper notice having been given, resolves and orders as follows:

WHEREAS, The Town of Dayton hereby requests assistance for the following projects for the purpose of developing recreational boating facilities and the reduction of overcrowding of lakes at the following existing public lake access points:

Knight Lake Channel at Knight Lane

1. Re-grading to alleviate over storm water runoff into channel
2. Signage to designate parking for handicapped individuals
3. Porta-Potty and waste pickup
4. "No parking" signage to restrict overflow parking
5. Improved Informational Signage at launch site.

Marl Lake at Whispering Pines Road

1. Signage to designate no public parking provided at this site and to designate parking available at other locations
2. "No parking" signage adjacent to state land
3. Improved Informational signage to include waste facilities or lake rules
4. "No parking" signage on Whispering Pines Rd

Dake Lake at Cleghorn Road

1. Signage to designate no public parking provided at this site and to designate parking available at other locations
2. Improved Informational signage to include waste facilities or lake rules
3. "No parking" signage on Cleghorn Rd; Butternut Rd; and Long Cove Road
4. Designate the following area as restricted to official, governmental, and maintenance vehicles authorized by the Town of Dayton: Long Cove Road (eastbound) between Butternut Road and Cleghorn Road.

WHEREAS, The Town of Dayton has determined that increasing boating access on bodies of water where the maximum access standards in NR 1.91 are exceeded will materially impair navigation and is detrimental to the public interest; and that vehicles are using un-approved locations to park and access various lake access points.

THEREFORE BE IT RESOLVED, that the Town of Dayton has budgeted a sum sufficient to complete the projects and;

HEREBY AUTHORIZES Chairman Chris Klein to act on behalf of Town of Dayton to submit an application to the Wisconsin Waterways Commission for financial assistance; Sign documents; and take necessary action to undertake, direct and complete approved projects;

BE IT FURTHER RESOLVED that the Town of Dayton will comply with state and federal rules for the programs; may perform force account work; will maintain the completed project in an attractive, inviting and safe manner; will keep the facilities open to the public during reasonable hours consistent with the type of facility; the Town of Dayton will not pursue public boating access development permits or financial assistance for public boating access beyond the levels described in this NR 1.91 unless greater levels are established in a plan developed by a qualified Lake Association or Lake District; and will obtain in writing from the Wisconsin Waterways Commission before any change is made in the use of the project site.

Adopted this 15th day of January 2013.

Chris Klein, Town Chairman e/ Chris Klein

Attest: Judy Suhs, Town Clerk _____
