8. New Business
 - A. Discussion and possible action on a zone map amendment application for the Stephen Slagle property located at E2206 Parfreyville Rd, parcel 03-01-21-17. They are seeking the amendment because currently the property is zoned as AWT which assigns development rights at a rate of one for every ten acres. They would like to split the property to build a house for their mother but do not have the correct amount of development rights. They are seeking an amendment to the Rural Residential which will create additional development rights to allow the split. The preferred land use map is consistent with the proposal.
 - B. Discussion and possible action on Planning Commission members appointments and election of a vice chairman.
9. Old Business:
 - A. Naming of a Private Road that will be created off of Parfreyville Road. There will be four residents on this road. Creation of the road is at the request of the County EMS personnel.
